Contents What's it like to do a PhD in Germany? What are the requirements, and what do I have to consider when coming to Germany for a PhD?

In this information event, we will give you an overview about the requirements and opportunities for a doctorate with and at Aalen University of Applied Sciences. Pursuing a PhD is a very individual matter and involves multiple aspects. In addition, when coming to Germany for your PhD, there are a few administrative things to consider.

In the first part, we will address all things PhD-related:

- » Requirements, content and process of a doctorate
- » Finding a supervisor
- » Identifying a research topic
- » Financing during the doctorate
- » Various formal procedures

In the second part, we will address everything about coming to Germany for work:

- » Application procedure
- » Funding / Stipends
- » Work permits
- » Visa
- » Housing
- » Timeline / Order of things
- » ?
